REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Claims 36-38, 40, 43-59 and 61-64 are allowable because none of the prior art of record suggests at least: (a) a lamp capsule having a support, wherein the support includes an umbrella like head portion, a plurality of LEDS mounted on the support, and positioned with respect to the head portion so that the head portion is substantially intermediate the LEDS and the field to be illuminated, wherein the support is made from material having a high thermal conductivity to conduct heat away from the plurality of LEDS; (b) the majority of LEDs mounted on the support being oriented so the LED axes form an angle with respect to the forward lamp axis direction of ninety or more degrees, a reflector receiving the LEDs at a rear opening, the ratio of the reflector diameter to the reflector height is more than 1.0, and wherein the reflector height is less than 5 centimeters; (c) a base structure of the plural-LED-mounted support have a thermally conductive connection to a heat sink, wherein the base structure includes a heat conductive flange and a coupling to press the flange to a thermally conductive portion of a vehicle hull; (d) wherein the LEDS are supported on an intermediate flexible substrate, and the flexible substrate is bent to conform with the exterior contour of the support, the flexible substrate being mechanically coupled to the support; (e) wherein said intermediate part of said intermediate part of said concave reflective surface is formed with an internally threaded mounting hole, said lamp base including a coupling post having an externally threaded end that engages said reflector in said mounting hole, wherein said lamp base further includes a cap having a base wall portion, a surrounding wall portion extending

from said base wall portion, and a post engaging portion extending from said surrounding wall portion for engaging one end of said coupling post opposite said externally threaded end.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
